Sue Reviello**Senior Manager, BDS Airworthiness Military Certification**

Sue Reviello is the senior airworthiness manager for Boeing Defense and Space (BDS) responsible for the oversight of domestic and international military programs under the Product and Services Safety organization. Sue is credited with the development and management of the Boeing enterprise European Military Airworthiness Requirements (EMAR) 21J Military Design Organization (MDO) and is the Head of the Office of Airworthiness (HOA) for EMAR programs.

Prior to this, Sue was the airworthiness senior manager for the CH-47 Chinook Helicopter program responsible for the successful airworthiness authorizations for several international programs. Previously, Sue was the senior software development manager for Future Combat Systems (FCS) and manager of the software development of the Comanche Helicopter.

Sue joined Boeing in 1991 and holds a Bachelor of Science degree in Computer Science and a Bachelor of Arts degree in Economics from East Stroudsburg University. She is a member of the Board of Directors of the Association for Airworthiness Professionals (AAP), the Boeing representative for the Airworthiness Defense Industry Advisory Group (ADAIG), a member of the Boeing Leadership Association, Society of Women Engineers (SWE), and Boeing Women in Leadership (BWIL) and is a USA Ice Hockey Level 4 certified coach.
